Learn Chess for less than \$0.20 per week!

Chess Kids' online games and lessons portal gives students access to play live chess games against other kids from around Australia, solve puzzles and take part in video and interactive lessons. Best of all, they can login from **home** or **school** the whole year round!

24/7 access to online lessons, games, puzzles and more ... on a safe and kid-friendly site.

- 24/7 access to play live online games
- Unlimited puzzles to solve
- Interactive practice sessions
- 272 great videos to watch
- Read over 424 articles
- More content added every week!

For your students to have individual access to live online games and chess coaching ...

\$15 per child (5-50 students)

\$12.50 per child (51-100 students)

\$10 per child (101+ students)

Each school will be sent a single invoice. Prices are quoted ex-GST. Private subscriptions (not through a school account, or fewer than 5 students from one school) are charged at \$39.95 per child. All subscriptions have a 30-day money back guarantee and all individual accounts through a school expire on January 31st of the following year.
